LIGHT 24/30 PT

Agile Sans is a contemporary humanist font family with classicist roots.

---

REGULAR 16/20 PT

Hence its name, Agile Sans suits many occasions from branding to publications, web and applications. From formal to casual, bold to refined, this font covers it all.

Agile Sans comes with nine weights with corresponding true-italics. Built-in small capitals and several numeral styles are included as well.

LIGHT 24/30 PT

Nobody ever saw a dog make a fair and deliberate exchange of one bone for another with another dog.

SEMILIGHT 14/20 PT

Nobody ever saw one animal by its gestures and natural cries signify to another, this is mine, that yours; I am willing to give this for that... But man has almost constant occasion for the help of his brethren, and it is in vain for him to expect it from their benevolence only.

SEMILIGHT 10/15 PT

He will be more likely to prevail if he can interest their self-love in his favour, and show them that it is for their own advantage to do for him what he requires of them. Whoever offers to another a bargain of any kind, proposes to do this.

SEMILIGHT 7/10 PT

Give me that which I want, and you shall have this which you want, is the meaning of every such offer; and it is in this manner that we obtain from one another the far greater part of those good offices which we stand in need of.
