An aerial, sepia-toned illustration of Paris during the Exposition Universelle of 1889. The Eiffel Tower stands prominently in the background, rising above the city's skyline. In the foreground, the vast, ornate grounds of the Exposition Universelle are visible, featuring numerous large exhibition halls, gardens, and pathways. The city of Paris is spread out around the exhibition grounds, with various buildings and the Seine River visible. The overall scene captures the grandeur and scale of the event.
